

## 2009 Lanyard Guidelines

Each tournament Host will prepare and hand out the inserts for the coaches Lanyards based upon how many wrestlers are participating per club that weekend.

Each club can receive 2 passes plus 1 for every 5 wrestlers.

(Example 30 kids faxed/emailed in: Club will receive 8 coaches passes for the day.)

Each club is responsible for bringing their green Four Corners Wrestling lanyards and pass holders to the tournaments.

The tournament director will hand out coaches passes to be placed in the lanyard at the head table the morning of the tournament to the person paying for the team. That person may then distribute those passes to their coaches who have AAU coaches cards and passes can be used for that tournament only. You will receive new passes at each tournament.

This is a one year trial and will be placed on the June agenda for vote after the trial.
